

This information is for Professional Advisers only and should not be relied upon or distributed to Retail Clients. All awards and ratings relate to Marlborough's UK-domiciled range of single-strategy funds.

Marlborough has earned a succession of fresh accolades in 2021 for the performance our funds have achieved for investors.

FTAdviser 100 Club Awards

Marlborough has earned the title of best **Small to Mid-Sized Investment Group** in the FTAdviser Investment 100 Club Awards. **Marlborough European Multi-Cap** was also named **best European Equity fund**.

The awards assess asset managers and funds on a quantitative basis, analysing **short-term** and **long-term outperformance** as part of a rigorous set of screening factors. The final decisions are then made by a panel of judges, comprised of leading industry figures.

All of the winners have been selected from the 100 'outstanding' funds and asset managers selected to be members of the FTAdviser 100 Club. **Marlborough Nano-Cap Growth** is also a member of this 'elite' club.

OTHER ACCOLADES

Marlborough Multi-Cap Growth Manager Richard Hallett earned the title **Best Alpha Manager, UK Equities** in the FE fundinfo 2021 Alpha Manager Awards.

Marlborough was also **shortlisted** in two fund group categories - Equity, UK (All Companies) and Equity, US Blend - in the **Citywire UK Awards 2021**. The awards recognise groups whose funds have achieved '**stellar performance**'.

FundCalibre Fund Management Equity Index 2021

ELITE PROVIDER
rated for equities by FundCalibre.com
2021

Marlborough was again ranked highly for the performance of its funds in this year's FundCalibre Fund Management Equity Index. Over the five years to 31st December 2020, Marlborough's funds achieved an average outperformance of just over 13%, according to the FundCalibre Fund Management Equity Index 2021.

Risk Warnings

Capital is at risk. The value and income from investments can go down as well as up and are not guaranteed. An investor may get back significantly less than they invest. Past performance is not a reliable indicator of current or future performance and should not be the sole factor considered when selecting funds. Our funds invest for the long-term and may not be appropriate for investors who plan to take money out within five years.
